Touchless SensorSAFE Dispensing

Touch-Free IMC25 & IMC50 Ice Counter-Top and Floor Models are available by the addition of the Touchless SensorSAFE Dispensing Option. We know ice and water are essential to your business and we strive to provide what your business needs. Now, more than ever, we remain dedicated to bringing you the most sanitary solutions.

IMC Ice II Floor Model

- Floor Model
- Available with Ice and Hot or Room Temperature H2o
- Hygienic touch pad
- Makes up to 20 pounds of ice per day, stores 11 pounds of ice.

- Designed for use of up to 20 people
- Drain free
- Weight: 120 lb.
- Dimensions: 18.3"W x 23"D x 59"H

## Sanitation and Safety

- Agion antimicrobial protection in key components – inhibits bacteria and biofilm growth on treated surface
- Leak detection in ice making module
- Large, easy-to-empty drip tray
- Quality stainless exterior
- Sanitary – **No ice scoop required!** Our no-scoop dispensing eliminates direct contact with the ice and minimizes potential for cross contamination.

No need for signs like this!

## Application and Flexibility

- No Drain Required: Drain-less design allows dispenser to be placed anywhere a water line can be run and eliminates the expense of drain installation
- Strong, durable design

## Sustainability

- Uses up to 50% less electricity and 70% less water to produce ice than similar sized cube-type ice machines
- **Touch-Free** models available
